

SPECIAL NOTICE TO FLORIDA STATE UNIVERSITY CREDIT UNION MEMBERS

October 1, 2020

Thank you for continued membership with FSU Credit Union. We are committed to being champions for our members and truly appreciate the opportunity to do so.

We are pleased to announce, effective October 1, 2020, we finalized a merger agreement for Pensacola-based GPCE Credit Union to become a division of FSU Credit Union. Stay tuned for exciting updates as we begin our expansion into the Panama City and Pensacola markets. With all mergers such as these, credit unions are required to align their fee structures. Therefore, we have amended the existing Fee Schedule as listed below. A majority of these fees are administrative-only and will not affect your day-to-day banking. All account fee changes will be effective on January 1, 2021. We are proud our fees continue to be at or below local peer averages.

Please feel free to contact us at (850) 224-4960 or support@fsucu.org with any questions or concerns.
