For more information on starting a business in Florida, go to <https://dos.myflorida.com/sunbiz/start-business/> for required steps.

Any business using any name other than their legal name (as reflected on Sunbiz) must have a current fictitious name registration on Sunbiz (a copy of which should be retained in the file).

Please note a business entity using another name could go the route of obtaining a trademark under Florida law rather than the fictitious name registration. If a Florida entity has gone this route, the entity will need to advise the Credit Union accordingly so that the Credit Union can pull the trademark registration from the Florida trademark database
